Driving instructions to the artist's entrance of Porgy en Bess, Lange Kerkstraat 57, Terneuzen.

Never enter the official address of Porgy en Bess, Noordstraat 52 Terneuzen, in your GPS Navigation system. This address is situated in a pedestrian area. Your navigator will direct you to a totally different town in the area with the same street name!

Enter the following address in your navigator: Lange Kerkstraat 57, Terneuzen, navigate via Dijkstraat/Korte Kerkstraat. (also see map)

- **Arriving from the North** drive via Bergen op Zoom on highway A58 direction Vlissingen, just after Goes take on the traffic junction **Stelleplas** the exit to the N62 to Terneuzen. You will pass the **Westerschelde Tunnel** (€5,- toll). Immediately after the tunnel you take the exit Terneuzen.
- After three roundabouts you will pass three sea locks. Direction signals will lead you over the locks avoiding the opened bridges. Never wait for an opened bridge but take the one at the other side of the lock. **Ignore your GPS navigator while passing the 3 locks!**
- After the third lock go left on the Binnenvaartweg.
- Take the first turn right on the Dijkstraat into the old town.
- Follow this street for approx. 300 meters.
- Turn left into the Korte Kerkstraat.
- After 50 meters right into the Lange Kerkstraat.
- You will find the artist entrance after 150 meters on your left hand on a small square. The name is clearly shown on the door. In that area you can park your car. If the artist entrance is closed, walk through the small alley left, to enter into the Noordstraat, the entrance is directly to the right around the corner. Ask for the parking permits, to be put behind the windshield of your car, at the bar. Don't forget to give them back when you leave!

- **Arriving from Belgium**, from the South you enter Terneuzen on the Guido Gezellestraat, a dual carriageway. Follow this road completely until after the third roundabout. You will now drive on the Scheldeboulevard and find the river Schelde on your right hand. You can't miss it.
- Follow the road along the dike until it turns left. You will see the Scheldetheater on your left hand.
- Take the next street to the left, Dijkstraat.
- Further directions as indicated above.
- Attention: from Friday 16.30 on and during the weekend the Nieuwstraat is closed for vehicles. Do not take that street but take the route described above via the Dijkstraat.
